### **4.3 Student-Athlete's Code of Conduct**

The actions of a student-athlete are a reflection of themselves, their team, their school and their community. A student's involvement in school sport provides opportunities and experiences that are important to the development of a well-rounded student. However, student athletes must remember that their participation in school sport is a privilege, not a right. Students who do not display a respectable code of conduct in classes or during school hours will be immediately removed from team participation.

#### **Student Athletes shall:**

##### **4.3.1 Treat Everyone with Respect**

- a) treat team-mates, coaches, opponents, event organizers and spectators with respect
- b) respect and accept with dignity the decisions of officials
- c) be generous in winning and graceful in losing

##### **4.3.2 Exercise Self Control at all times**

- a) remember that there is no place in sport for drugs and alcohol
- b) refrain from use of foul or profane language
- c) refrain from the use of physical force outside of the rules of the game

##### **4.3.3 Fair Play**

- a) play within the rules and the spirit of the rules of the game at all times
